Since the Vision of the Institute focuses on comprehensive and sustained growth of the students, the college aims to bring the economically weak rural and tribal youth into main stream and make them a responsible citizen of India. Students need a break from classroom and lectures to rejuvenate and extracurricular activities are the best way to regain that energy and enhance student's personality. Whether getting involved in student clubs, volunteering activities and sports tournaments, these activities outside the regular classroom, help students meet new people and develop their social skills. While academics play a significant role, sports-related activities are also important in shaping the personality and character of a student. With the same ideology, a college with physical education and B. P. Ed. emphasizes on college sports and encourages its students to participate in various tournaments. Students not only stay fit and healthy by actively participating in sports, but they also learn effective ways to handle pressure in times of crisis. Keeping in view the importance of sports in today's scientific era and its vitality in the shaping of individual's personality and health and fitness, the college lays considerable emphasis on student participation in various games, sports and track and field activities. The spacious grounds of the college are laid out into playfields for Cricket, Hockey, Football, Basketball, Volleyball, and Badminton etc. Facilities have also been provided for Yoga, Table Tennis, Chess, Wrestling and Kabaddi. A Gymnasium Hall equipped with all modern scientific machines like Multi-exerciser, and Treadmill are available for the use of students. Other than actually being an active sportsman, then other career opportunity for students is: sport marketing, coaching, athletic administration, sports medicine, sport promotion, sport psychology and so on. Sports person can be employed in private and public sector. The Indian Government and Armed forces also have special recruitment drives for exceptional sporting talent. Students can also set up their own business in manufacturing of sports equipment after gaining experience in this field. Student of college participated in various Sports Competitions in 2018-19 organised at the institution level.
