## Dept. of Human Development (2021-2022)

### Field visit intended for project work

#### Visit to Paradise (29.4.2022)

##### Address- 33/55 Palpara, Baranagar, Kolkata-700090

Dept. of Human Development made a field visit for the students of 2<sup>nd</sup> Semester (Hons.) of Core Course HNMDACOR04P (Care and Education in Infancy and Childhood) to prepare a report on community working in different fields of ECCE (Early Childhood Care and Education). It was a nursery school visit with 8 students accompanied by 1 teacher. The main purpose of the visit was to help the students understand the infrastructural facilities, curriculum, method of teaching and evaluation followed in the preschools as well as to get themselves acquainted with the overall facilities and care provided in the preschools. Students adopted methods like observation, questionnaire, interactive sessions (both with teachers and children) to collect their data for project writing purpose. Demonstrations were also provided by the preschool teachers regarding the different activities held in the nursery school. An added advantage of the visit was students got an opportunity to watch out a dance performance which the children were preparing for celebration of Rabindra Jayanti and this has been highlighted in the project itself.

Students with the children and observing their dance performance

#### Visit to Bikashayan (30.4.2022)

##### Address- 40 Dunlop, Saket Nagar, Bonhoogly Government Colony, Baranagar, Kolkata-700108

Dept. of Human Development made an institutional visit for the students of 4<sup>th</sup> Semester (GE & DSE) of course HMDGCOR04P; HMDHGEC04P (Childhood problems and Welfare) to prepare a report on institutions working with disabled children. The visit was made with 23 students accompanied by one teacher. Bikashayan (Dunlop) is an institution mainly associated with mentally retarded children. The sole purpose of the visit was not only to gain knowledge regarding how the institutions work to serve the needs of these special children but also to focus on the different courses and facilities offered by the institution

pecially educational and vocational rehabilitation. A lecture session of one hour was organized by the employees of the Institution where the students got all the relevant data related to their report writing with the help of a self made questionnaire. The theoretical and practical implications of the curriculum framed for these children were also put forward by the students in their project.

### **Visit to Sabar Path (22.4.2022)**

**Address-22/23, Feeder Road,Basanta Bihar,Adarsha Pally,Belghoria,Kolkata-700056**

Dept. of Human Development made an organizational visit for the students of 6<sup>th</sup> Semester Hons. (DSE) of course HMDADSE04P (Gender and Social Justice) to prepare a report on organisations working in the area of Women' Empowerment. No. of students participated in the visit were 2 accompanied by 1 teacher. The visit was intended to understand the objectives, programmes and experiences of the organization dealing with all the gender realities and gender related issues. It was a face to face conversation with the members of the organization who narrated the brief history of the organization to the current projects and activities being planned or implemented. The main area of discussion was domestic violence and its current scenario. Since this organisation tries to create awareness regarding women empowerment through different skits it has helped the students in preparing their project reports on the basis of some real life incidents apart from organizational functions.

Discussions and interactive sessions at Sabar Path

### **Visit to NIOH (19.4.2022)**

#### **Address-J9VJ+2C6 B.T. Road,Bonhoogly,Kolkata-700090**

Dept. of Human Development made an institutional visit for the students of 6<sup>th</sup> Semester Hons. of Core course HMDACOR013P (The child with Special needs) to prepare a report on working for children with special needs. The no. of students attended were 2 accompanied by 1 teacher. NIOH has different wings working for overall welfare of such children. The purpose of such a visit was to know about the educational framework designed according to the developmental needs of the children, organize activities for such children, preparing a case study on them and meeting their families to plan an intervention programme. With the help of a self made Questionnaire the students collected data regarding the developmentally appropriate curriculum followed as well as the rehabilitation measures adopted. The students cooperated with the children by participating in some creative activities planned by them and through observation the students made a note on the behavioural perspective of the children. A detailed analysis of the children was by interacting with the parents in a face to face conversation. The importance of counselling the parents of special children has been focused in the report writing.
